

# a winning combination

## Introducing WIN-PAK® SE with Galaxy Integration.

Honeywell's exciting new WIN-PAK SE with Galaxy gives you the flexibility to integrate access control, video surveillance and Galaxy intrusion detection\* - all from a single user interface. The result? One solution powerful enough to handle all of your customers' integrated security requirements—letting them expand their systems while you expand your business! What's more, the unique combination of intrusion, video and access control saves time and money by reducing training and labour.
